KENSICO DAM, HEADQUARTERS, CO. B

This ROSTER, the second to be published by the V. C. A. Post, covers the second year of your Organization's existence, concluding with the Third Annual Meeting.

That the Post has indeed found itself is evidenced by the satisfactory state of its treasury (see Treasurer's 1st and 2nd reports following); the healthy increase in membership; and the all-round enthusiasm with which it is cherished by its members. There still are, however, a great many eligibles who have not joined, and it is hoped that those who do belong will exert their influence among their friends to bring them in.

The Second Annual Meeting, held at the Army & Navy Club, was a well-attended function where much interest was displayed in the activities of the Post as shown in the digest of the minutes printed herein.

The Second Annual Dinner was held at "The Flotilla," Sixth Avenue and Fifty-fifth Street, on Wednesday, February 15, 1922, in the banquet hall on the second floor of that building. Some hundred and fifty gentlemen were present to enjoy the really excellent repast and a capital entertainment engaged by Raymond N. Hyde, justly-famed Chairman of the Dinner Committee. Of speeches there were none, but President Hoes called on a number of guests and members for a few short remarks, which were mainly to the point and snappy, causing general applause.

A Special Meeting was held immediately after the dinner at which the amendments to the By-Laws, proposed at the Annual Meeting in November, were unanimously adopted.

On Memorial Day, at the invitation of Colonel Warren, commanding the Veteran Corps of Artillery, S. N. Y., some ten members of the Post—former officers—marched in the parade attached to his honorary staff. The Post Color was carried by the Color Guard of the V. C. A., and afterward the ten members attended the annual luncheon at the Columbia Yacht Club.

MEMBERSHIP

Since the last ROSTER was published, in 1921, which showed a total of 322 members, sixty-five more have been elected. Forty-four have resigned, and two—Alexander R. Thompson and Frank H. Rossiter—have died, leaving a total in good standing of 341.

In April, 1921, the Executive Committee authorized the creation of a Post Color, for display at all public functions; a design having been made and adopted, a very handsome standard was turned out by Annin & Co., together with a National Color of the same size. These flags have been greatly admired, whenever and wherever they have been displayed.

At the same time the Committee authorized the manufacture and sale of a Post Button, and these have been distributed to all members in good standing to their universal satisfaction.

STATE SERVICE MEDAL

Pursuant to a resolution adopted at the Second Annual Meeting, and thanks to the efforts of President Hoes, Lieut.-Col. Stoddard and Ex-Governor Whitman, a bill passed the Legislature reducing the service necessary for the award of the "Aqueduct" medal to "more than ten days." Some fifty per cent of the members are entitled to this decoration.

A vote of thanks and appreciation was given to Mr. Brandyce, the retiring Secretary.

President Clinton, assuming the chair, made a humorous and interesting address.

Mr. Howland Pell said a few words on the subject of Aqueduct medals.

All of these three hundred forty-two men are eligible for membership in this Post. Many of them have probably never had that privilege offered to them; some few have declined to join, for one good reason or another; a small number of others have been elected, but have never qualified as members in good standing by paying their dues. About forty of them have been members, but, having allowed their dues to lapse, are no longer members.

If you enjoy belonging to this organization, and think it worth while, just scan the foregoing list and check off the names of those men whom you would like to propose for membership; then tear off the following application blank, fill it out, and send it to the Chairman, Membership Committee. More blanks may be had on application to the Secretary. To make assurance doubly sure, you might ask each prospective candidate if he wishes to join before proposing him.
